Plan Exclusions

This **Short Term Medical plan does not cover:** pre-existing conditions* (including those not inquired about on the enrollment form); preventive or wellness doctor visits; dental or optical treatments; routine physical exams; normal pregnancy or childbirth; well child care; interscholastic and intercollegiate sports injuries; expenses incurred outside the United States, its possessions, territories or Canada. **Other exclusions are listed in detail in the policy you will receive when you purchase Short Term Medical.**

* Pre-existing Condition: A medical condition due to Sickness or Injury for which the Insured received medical treatment or advice from a provider within the 12-month period immediately preceding the Effective Date of coverage, regardless of whether the condition was diagnosed or not diagnosed; or that produced signs or symptoms within the 12-month period immediately preceding the Effective Date of coverage. The signs or symptoms must have been significant enough to establish manifestation or onset by one of the following tests: The signs or symptoms would have allowed one learned in medicine to make a diagnosis of the disorder; or the signs or symptoms should have caused an ordinarily prudent person to seek diagnosis or treatment. A pregnancy that exists on the day before your Effective Date will be considered a pre-existing condition.

When Does Coverage Begin?

Your coverage will begin at 12:01 a.m. the day of your approved effective date, provided the enrollment form received is complete*, meets the requirements for acceptance and the full initial premium is received. Your requested effective date must be within 30 days from the date you signed the enrollment form.

Please refer to the enrollment form on the back of this brochure for more information on determining your effective date.

* Enrollment forms that do not meet eligibility requirements will be returned to the insured or agent. Incomplete enrollment forms may be returned and/or re-dated by Assurant Health.

Two Convenient Payment Options

Paying for your **Short Term Medical plan** is easy with two convenient payment options:

- **Single Payment Option:** Ideal if you know the exact number of days coverage is needed. The minimum number of days you may apply for is 30 days, the maximum is 365 days. **No refunds are available after the 10-day free look period.**
- **Monthly Payment Option:** Ideal if you are unsure how long coverage is needed. This "pay as you go" option gives you the flexibility to continue coverage for as long as it's needed or simply stop payments and discontinue the plan once your temporary need ends. When you apply, simply let us know if you want the ability to have coverage for up to 6 months or up to 12 months.

Purchasing an Additional Plan

This **Short Term Medical plan** is not renewable. However, if your temporary need continues beyond your policy period, you may apply for a new plan. To obtain an additional plan, you must complete a new enrollment form. If we approve the new enrollment form, a new plan will be issued.

Any previous or current health condition or symptom will be considered a pre-existing medical condition that will not be covered under a new plan. There is no continuous coverage between plans – therefore your new plan will not provide benefits for any condition or symptom which began during a previous plan. In addition, no benefits are available for any period in which you are not covered by our **Short Term Medical plan**.

Premium Refunds

If you are not 100 percent satisfied with the plan, you may return the policy and identification cards within 10 days of delivery for a premium refund. No questions asked! **After the 10-day free look period, premiums are not refundable.**

The \$20 application fee is non-refundable.
